Per Wikipedia.com, "a roadside attraction is a feature along the side of a road meant to attract tourists. In general, these are places one might stop on the way to somewhere, rather than being a destination."

For this year's contest, you may include any roadside attraction (maximum two attractions per any city), from any state in the region as listed on [roadsideamerica.com](https://www.roadsideamerica.com). You can search by state.

Snap a photo of you, your bike, or both. You must ride to these attractions. If you did not ride, the location does not count for the contest!

The contest opens March 1 and runs through December 31, 2023. Photographs can be emailed to touringcontest@gmail.com as you take them (preferred) or printouts mailed in batches to Cris Baldwin, 6 Deer Court, Wentzville MO 63385. All submissions must be emailed or postmarked by January 15, 2024, to count.

It is assumed that participation gives WOW permission to use your submission for publicity materials, i.e., magazine, website, social media, etc. If you wish to participate but do NOT want your photos shared publicly, you must confirm this with a "do not share publicly" message with your first submission.
