

2025 WOW REGION TOURING/PHOTO CONTEST

(Arkansas, Colorado, Kansas, Louisiana, Missouri, Oklahoma, Texas, and Utah)

Debi George, Director of the Lady Cruisers of the Ozarks Chapter, suggested this theme for our 2025 WOW Region Touring/Photo Contest. **Let's "raise the roof"!**

Photos must include any of the below. A maximum of two buildings per city count for the Contest:

Cupola - A roof accent with a round, square or multi-sided base (bottom center)

Dome - A rounded vault forming the roof of a building (bottom right)

Spire - A tapering cone or pyramid on top of a building (top right)

Steeple - A spire on the top of a church roof; with or without a belfry (left)

Snap a photo of you, your bike (only when safe), or both from **any state listed above**. You must ride to these locations. If you did not ride, the photo does not count.

The Contest runs from March 1 through December 31, 2025. Photos should be emailed to touringcontest@gmail.com as you take them. Include the city and state with the photo.

Submissions must be received by January 15, 2026, to count. Take the time to enjoy some interesting architecture even if you do not plan to participate in the contest.

It is assumed that participation gives WOW permission to use your submission for publicity materials, i.e., magazine, website, social media, etc. If you wish to participate but do NOT want your photos shared publicly, you must confirm this with a "do not share publicly" message in your first submission.
